RE: PROJECT MANAGEMENT SERVICES

Telephone: 612 9975 5244

On behalf of Galderma Australia, I would like to express our appreciation of the project management services provided by MJ Wood Management during the fit out of our new offices in Belrose and the associated relocation of staff and furniture from our former facilities at Frenchs Forest.

Facsimile: 612 9975 5374

The project was successfully co-ordinated, delivered on time and within budget, with no lost time injuries. Effectively this meant that the disruption to business typically associated with such a project was very minimal.
